

HADLEY WOOD
Golf Club

WINTER MEMBERSHIP

Thank you for your interest in seeking more information about our Winter Membership programme.

You will see that I enclose an application form for you to complete as well as a brochure, if posted, giving you more information about the Club. I would urge you to return the application form to me as soon as possible and I will then arrange for us to meet for an interview. At the interview, you will have explained to you the restrictions that apply to this temporary membership which broadly are as follows:

1. The duration of the membership period is from 15th October 2011 to 31st March 2012 and the cost is £375.00. Naturally, we hope if you enjoy the course and the ambience of the club, that following this period you will seriously consider applying for full membership.
2. You will not receive a formal handicap from Hadley Wood.
3. You will be entitled to play on the basis of a seven-day member and play at the same time as club competitions are held. However, you will not be able to formally enter those competitions.
4. Winter Membership is only available as a "one - off" and cannot be repeated on a year on year basis – the initial intake is limited to thirty members.
5. Apart from the above, you will have all the rights of a full member and we hope that, if your application is successful, you will play a full part in the social life of the club.
6. When returning the application form to me would you please also sign and return the attached copy of this letter to show that you have read and agree to the above.

I look forward to hearing from you

Yours sincerely

Bill
